This is an exciting time for the students and teachers! Although some things will be different, we will do our best to be safe, learn, and have fun! We will spend a good part of our time this month getting to know each other and becoming familiar with our preschool.

Each week we will feature a "Star of the Week" on our bulletin board and we will read it together in class. Posters are due September 13.

We have a Parent's Club at our preschool. They meet once a month or as needed. Our Parent's Club holds a popcorn/pretzel fundraiser, plan our Harvest Party, and do many other things during the school. We urge you to attend their first meeting on Sept. 24 @ 7:00 pm at the Preschool to find out more. It's a great way to meet other parents!
