This month we will focus on Signs of Spring. We will be planting grass seed and watching it grow. Our shape this month is the diamond. Colors this month are yellow and green, letters that will be introduced are J,Y,Z and U and numbers 18,19 and 20.

Starting this month, each child will be able to bring their favorite book to share. I will read the book to the class and return the book to you that day. Please see attached calendar to find your child's day!
