*We will be practicing our address and phone numbers every day!

We have officially finished our alphabet and numbers (1 – 20). We will use the rest of our time together reviewing all that we have learned.

Earth Day is Friday, April 22. We will be planting sunflower seeds. We will watch them sprout and then they will go home to be planted outside!

In April, we will focus on successfully reciting our address and phone numbers. Again, please remember to practice these at home! Once your child can successfully recite BOTH their address and phone number, they will be able to choose a gift from the treasure box. If you have not already done so, please complete the form that came home with your child with any updated address information and the ONE phone number you wish your child to recite.

Our annual St. Jude's Trike A Thon will be Friday, April 29. On this day your child will be asked to bring their bicycle/tricycle AND their helmet. **Children will not be allowed to participate if they do not have a helmet.** More information to come home soon.

May 16 is our annual trip to the Learning Tree Farm. *Each child must have a parent or guardian accompany them to the farm. If you cannot attend or find an adult to take your child to the farm, please let us know ASAP.* We have parent volunteers who may be able to help. All classes- morning and afternoon will go to the farm at the same time. We meet here at 9:00 am and arrive as a group to the farm promptly thereafter. More information will come home soon.
